

## FREE PGA Golf Training & Tuition

Wellsgreen Golf Academy Standingstone Road Kirkcaldy KY8 5RU, Sunday 5 September 2010

The SDGP will host its third PGA supervised golf training and tuition day of 2010, at the Wellsgreen Golf Academy on Sunday 5 September and anyone with a serious health issue, mobility problem or disability and their coaches may attend. To enter, please complete the entry form below and return it to the address shown.

### **THE PGA TUITION AND TRAINING FOR JUNIORS, EXISTING PLAYERS, NOVICES, BEGINNERS AND THEIR COACHES IS FREE!**

Golf tuition will be provided by a team of PGA Professionals based at Wellsgreen and will commence at 09:30, with groups sessions and individual tuition running throughout the day. In addition to use of the practise facilities and tuition, light refreshments will also be provided for each entrant.

A few holes of golf on the “Wee Course” will be available for any beginners. Golf is also available on the adjacent par-3 course for any players and coaches who wish to play. There are excellent facilities at the Wellsgreen Academy, including the driving range, putting green, bunkers and the “Wee Course”, as well as a Restaurant and Pro-shop.

Please note, that at any SDGP golf event, all participants are responsible for their own existing medical conditions and actions, and no liability will be accepted by the SDGP or our event partners for any injury or damage to person or property. Personal injury cover is not retained and should be taken out separately if desired. All participants must inform the Committee, event organisers and their playing partners, of any medical condition which may interfere with play during an event. Participants with medication, which may need to be administered in an emergency, must inform these parties of its location and dosage.
